FOR MEXICAN FOOD

great tasting!

We have been offering and serving the freshest Mexican dishes and catering services in the Los Angeles area since 1987. Chalio Mexican Restaurant is famous for traditional mexican recipes, fresh ingredients, homemade tortillas

and birrieria. We are also known for our Hottest Shrim Dish that we call *Camarones A La Diabla* (deviled shrimp). We have four types of hot chile that push the sauce to incendiary levels. They are *habanero*, *jalapeño*, *chipotle* and *chile de árbol*. But there's more than fire going on in the sauce. It's also spiced with cumin, cinnamon, chocolate and pepper. The restaurant owner, Raul Luis calls it a sort of mole.

But of course, what people really go to Chalio for is our *Zacatecas Style Birriera*. It is a richly flavored goat stew which is served in a variety of ways - with bones, without, in a bowl with broth and in a *crisp-shelled taco dorado*. A layer of the broth under the taco soaks in to enhance the birriera flavor. Or you can also have the *Birrieria Sopa*.
